

Veteran's Memorial Committee
Meeting 23 July 2012

Present: Sidney Regan, Bradford Whipple, Richard Bielefield. Mr. Aldrich was unable to attend.

Mr. Regan discussed a proposal previously presented to Selectmen and answered a number of questions for Mr. Whipple. Mr. Bielefield indicated he had briefly reviewed the proposal with some of the Museum Trustees. And noted the Trustees at their June meeting had given tacit approval, but insisted on seeing the complete proposal before voting full approval. There is customarily a late August or September meeting but that is yet to be scheduled.

After the discussion, it was agreed to present the current proposal to the Museum Trustees at the upcoming meeting requesting their approval at that time depending upon what further questions, limitations, etc. they might request.

The meeting concluded at 5:00 P.M.

Respectfully submitted,

Richard Bielefield
