Correspondence was read and acted upon.

### **The Town Offices will be closed on July 5, 2012**

CHIEF WENTWORTH discussed the work on Sunset Hill Road with the board. Chief Wentworth also updated the board on Police Department business. The new Administrative Assistant has started working and updating the office.

ROAD AGENT DOUGLAS GLOVER discussed the progress of the Sunset Project and discussed with the board the work to be completed in front of the Lipson Property on Grandview Road. Mr. Glover will send a letter to the owners describing what work will be completed. Mr. Glover discussed purchasing tar sand and noted that an additional pit had opened so now there was a choice when purchasing. Several pits could not sell as they did not pass State testing procedures.

The Select Board received a request from Alex Aaron to place a travel trailer on her property located at Map 202, Lot 12. The trailer would be used while construction of a new home is taking place. The board will give Ms. Aaron permission for the trailer to be placed on the lot for one year. Should the new home be completed prior to the year and an occupancy certificate granted then the trailer will be removed at that time.

JIM KEEFE met with the board to update them on Building Maintenance. There is a concern that the step at the Meetinghouse is too high and someone could fall. Mr. Keefe will lift the existing stone and place a concrete pad underneath to raise the step. The work on the downstairs windows will be completed after the fourth. Mr. Keefe is also willing to do the work on the new sign posts out front. The board was interested in finding out if Mr. Keefe's hours are working.

LUTHER KINNEY met with the board in regard to Current Use classifications and possible removal of a farm barn from his property. In addition Mr. Kinney was concerned in regard to several trees on the Hannah Cemetery Property. Jennifer will have Pete Carbonneau follow up with Luther as he had concerns as well. Jennifer will call John Trumbull to get some follow up answers in regard to farm buildings on current use property.

SID REGEN met with the board to present a scaled down plan for a Veterans' Memorial that could be placed at the Sugar Hill Historical Museum. The board reviewed the new design and advised that Mr. Regen needs to share with the Veterans' Committee and then

with the Sugar Hill Historical Museum Board of Directors. A very rough estimate put the cost at \$13,000.

MARGO CONNORS updated the board on conversations that she has had with the US Post Office NE District Manager. The process began with a union grievance that was filed in regard to how the Sugar Hill Post Office was being run. The official agreed that the closing was not handled properly. The office could be re-opened as a contract service.

With no more business before the Board, MR. BIELEFIELD made a motion to adjourn; seconded by MS. CONNORS the meeting was adjourned at 7:15 PM. The next regular scheduled meeting will be on Monday, July 9 2012 at the Carolina Crapo Building at 6:00PM.

Respectfully submitted,

Jennifer P. Gaudette  
Administrative Assistant
