MS. HUTCHINSON inquired about the noise ordinance and about how it is enforced. There appears to be noise coming from the Sunset Hill House from bands and fireworks after 10:00PM. The board advised Ms. Hutchinson that she should call 823-8123 and notify dispatch that she would like to contact an officer from the Sugar Hill PD. The board will also write a letter to Henderson Holdings reminding them of the noise ordinance.

ROAD AGENT DOUGLAS GLOVER met with the board to update them on Highway Department business. To date 10 applications have been received for the Highway Department opening. Closing date is Thursday the 9th. Mr. Glover noted that the highway pick-up truck needs emergency lighting and the board would like to implement a policy that two employees should respond to call outs. Mr. Glover has posted the Crane Hill Bridge at 6 Tons after the engineer did a preliminary inspection. The paving will start on Sunset tomorrow.

The Select Board signed an Intent to Cut Wood or Timber for S. Tristram Coffin, Map 212, Lot 1.1.

The board will send a letter to Mr. Workman notifying him that it has no authority to grant his request and that he must schedule a hearing with the Planning Board.
