The board would like an update on the Crane Hill Road Bridge from the engineer and will remind him that the Conservation Commission would like an estimate for the Trumpet Road Parking area before October 16, 2014. Jennifer will contact.

The board received a letter from the Jarzombek's (Map 222 Lot 31) in regard to a shed on their property. The shed was built to be used as a storage building. Mr. Keefe received an estimate from Wilco Direct to fabricate a 2-line hand rail for the ramp from the parking lot at the Crapo Building. Several residents have requested a railing. The board will ask SHIA if they would assist with the cost of the project. The rail estimate is \$850 and Mr. Keefe would prepare the concrete and paint the finished product.
